

We're expanding to serve you better!

As you may have noticed, the Charlottetown office of Provincial Credit Union is currently under construction.

We're in the process of enlarging and repaving our parking lot, adding a major expansion to the building towards Reserve Street, which will be followed by renovations to our existing structure.

We're excited about these upcoming changes, and appreciate your patience as we work through these much needed building updates for your credit union.

We'll provide regular updates on this site over the duration of construction, and if you have any questions or concerns, please reach out to any of our staff.

Please note that as part of the construction plan, unfortunately, the drive-thru ATM will be removed effective July 14, converted to a walk-up ATM, and relocated next to the ATM in our lobby. Both machines will be available 24/7, and a reminder the drive-thru ATM at our Stratford location, will remain in service.

Thank you in advance for your co-operation, and we look forward to providing you with regular updates.
